Early Voting Reminder from the League of Women Voters of the Morris Area

Morris County – The League of Women Voters of the Morris Area encourages voters to take advantage of early voting options in New Jersey.

“Early In-Person voting allows voters to cast their ballot, on a voting machine, whenever it is most convenient to them,” said Kathy Abbott, President of LWV Morris Area. “The ability to vote on the weekend makes a huge difference for working families.”

The early voting period in New Jersey begins on Saturday, October 24, 2026 and lasts through Sunday, November 1, 2026. During this time, early voting polling locations will be open from 10am - 8pm on weekdays and Saturdays, and from 10am - 6pm on Sundays. Registered voters can cast their ballot at any early voting polling location in their county during the early voting period.

“Vote-By-Mail is another great option for busy voters,” said Kathy. “Vote-By-Mail is safe, secure, and has been used in elections for decades. Voters can choose to receive a Vote-By-Mail ballot in all future elections, which will help them become lifetime participants in our democratic process.”

Voters unsure if they are already signed up to receive a Vote-By-Mail ballot can contact their County Clerk or use the Track My Ballot tool at Vote.NJ.Gov.

There are three options for returning a Vote-By-Mail ballot. Voters are encouraged to return their completed Vote-By-Mail ballot to a secure drop box in their county. They can also return their ballot in-person to their County Board of Elections Office or send it through the mail. There’s no need to wait until the last minute. You can return your completed ballot to a drop box as soon as you receive it, but voters do have until 8pm on Election Day.

Visit Vote.NJ.Gov to find secure drop box locations in your county. Please take your time completing your Vote-By-Mail ballot. Read all of the directions carefully to ensure you don’t miss any steps. SEAL your ballot inside the inner envelope and SIGN it.

Taking advantage of early voting empowers voters by ensuring your vote is banked before unpredictable situations, like getting caught up with work, traffic, weather, or more, don't get in the way of exercising your right to vote!
