Join the Morristown Area League of Woman Voters! We invite all women and men age 35 and younger to join for just \$35.00 per year. Full time students age 16 and older may join for \$10.00 per person. Membership for all others is \$70.00 annually.

This is an extremely important year for New Jersey voters:

- Every seat in our legislature is up for election (40 state senators and 80 state assembly members);
- There is an important Governor's race;
- 3 Morris County Commissioners (formerly Freeholders) and several municipal leaders will be selected.

Educate, register & motivate voters, and reach out to candidates through the League's very well-respected & powerful voice.

Join us at this critical time in our country's history! [LWVMorrisArea.org/get-involved](http://LWVMorrisArea.org/get-involved)
