Make a Plan to Vote Early by Mail or In Person Ahead of Election Day

The League of Women Voters of the Morris Area encourages everyone to vote early ahead of the November 4th General Election. New Jersey voters can cast their ballots early in person on a machine or by mail. There is no reason to wait until the last minute to vote!

In New Jersey, any eligible registered voter can Vote-by-Mail, but they need to apply. To receive a Vote-by-Mail Ballot by mail, the mailed application must be received by the County Clerk by October 28, 2025. Voters can also apply in person to the County Clerk up until 3 pm on November 3, 2024. Visit nj.gov/state/elections/vote-by-mail to download a Vote-by-Mail application.

Vote-by-Mail ballots can be returned in one of three ways:
1) using a secure ballot drop box in your county, 2) by mail, or 3) in person to your County Board of Elections. All ballots must be returned or postmarked by Election Day, November 4, 2025.

You can vote early in person at designated early voting locations in your county, using a voting machine, October 25, 2025, to November 2, 2025, from 10 am - 8 pm on weekdays and Saturdays, and from 10 am - 6 pm on Sundays.

To find polling locations and secure ballot drop box locations, visit VOTE411.org, the League of Women Voters' one-stop shop for everything you need to make a voting plan! At VOTE411.org, you can register to vote, verify your voter registration status, look up your ballot, and find out how candidates stand on critical policy issues. View in-person and virtual candidate forums at lwvmorrisarea.org/candidates-forums.

In addition to races, there may be a ballot measure on the backside of your ballot.Don't forget to turn over your ballot.

Develop a personal voting plan to get to the polls with all the information you need. And encourage your friends and family to develop their voting plan and to vote early!
