There are currently [thousands of events nationwide](#).

NO KINGS is our message to the world that we do not consent to authoritarian excesses and corruption for the benefit of Trump and his billionaire allies. We won't stand by as they crack down on free speech, detain people for political views, disappear people off our streets, and defy the courts. As President Trump continues to pretend he's a dictator, we are standing up again to push back against Trump and his billionaire cronies' hateful, vengeful authoritarian actions and personal gain.

The rally is sponsored by the League of Women Voters of the Morris Area, NJ 11th for Change and local people unaffiliated with organizations who cannot stand by and watch our nation sink into a Constitutional crisis. A full list of national partners can be seen at www.nokings.org/partners.

A speaker at the NOKINGS2 event, Lucy Del Gaudio says, "No Kings Day reminds us that leadership is about service and community, not crowns or titles. As a Latina, a veteran, and an advocate, I believe this day celebrates collective power, democracy, and the truth that no one stands above the people." Lucy is a US Army veteran who has testified in Congress on women's rights and sexual assault in the military.
